## Sevendust

Tell me something cause I don't know  
If that look's for me  
Change your face and show me  
How is it that you can sleep?(SHOW ME THAT FACE) Bring it up to me  
(SHOW ME THAT FACE) Means nothing to me(WHY DON'T YOU TELL ME)  
What you see in me  
(A motherfucker without a life that's  
always gettin' somethin')  
What you see in me  
(I GOT A LIFE - YOU GET A LIFE  
AND SHOW ME SOMETHIN')Black and white I ask this question  
Twisted lies come clean  
Face it. I see it. Don't want to be it.  
I hate it. I feed it.  
Can't wait to see you.(SHOW ME THAT FACE) Bring it up to me  
(SHOW ME THAT FACE) Means nothing to meTell me something cause I don't know  
If that look's for me(A motherfucker without a life that's  
always gettin' somethin')(WHY DON'T YOU TELL ME)  
What you see in me  
(A motherfucker without a life that's  
always gettin' somethin')What you see in me  
(I GOT A LIFE. YOU GET A LIFE  
AND SHOW ME)
