

# 2 O'Clock

## Beatsteaks

i wanna do a million things  
and some of them tonight  
i wanna be a billion places  
i guess i'm looking for a light  
i'm gonna lose my head  
i'm going down  
i'm gonna lose the man  
i am nothing remains  
i speak against the wall  
nothing comes back at all  
no feedback anywhere  
and nobody's there  
if i waited a bit too long  
it's hard for me to change  
i grab everything i can  
that's all  
and when it matters  
then i'm blind  
nothing is alright  
i only see what i wanna see  
it breaks me up against tonight  
i'm gonna lose my head  
i'm going down  
i'm gonna lose the man  
i am nothing remains  
i speak against the wall  
nothing comes back at all  
no feedback anywhere  
and nobody's there  
if i waited a bit too long  
it's hard for me to change  
i grab everything i can  
that's all
