

# Family Tree

## TV on the Radio

Anda my love, wake up to your window, the day calls in billows  
Its echoing moonlight onto the blue nightmare of your heart  
In cozy red rainbow, its shaking off halos  
And the memory of our sacred so and soOh, take my hand sweet, complete your release  
Unbury your feet and married we'll be  
Alone in receiving, ours is a feeling not that they would see  
They dont know that we could be down where your cradle escaped the sea  
And your raven haired mama caught told you soWe're hanging on the shadow of your family tree  
Your haunted heart and me  
Brought down by an old idea whose time has come  
And in the shadow of the gallows of your family tree  
There's a hundred hearts soar free  
Pumping blood to the roots of evil to keep it youngOnly your mind, is it safe to say that we've waited patiently  
Call me on time and recall the tune  
That has placed us gracefully all into line  
There's a garden grave and a place they've saved for you  
I'll fall by your side though your silver haired mama throes told you soWe're hanging on the shadow of your  
family tree  
Your haunted heart and me  
Brought down by an old idea whose time has come  
And in the shadow of the gallows of your family tree  
There's a hundred hearts soar free  
Pumping blood to the roots of evil to keep it youngAnd now well gather in the shadow of your family tree  
In haunted harmony  
Brought down by an old idea whose time has come  
And in the shadow of the valley of your family tree  
There's a hundred hearts soar free  
Pumping blood to the roots of evil to keep us young
