Abyss

Phrenia

A walk to nowhere
Would be more pain to endure,
Can't damp the blue,
It slowly turns into red.

I have no more sides to show,
My darkest secret is what I was.
It's guaranteed that you'll lose the game,
If you're playing with open cards.

Maybe I went too far,
Maybe there is no way to start over, what we've left unspoken.
One day, you will realize,
That the hope, the hope never lies,
One day you'll hear the voice inside.

You held me up, and I started to fall,
It's a nightmare but I'm awake,
But I'm awake,
But I'm awake.

There is a line somewhere
Which is waiting for me
Oh, someday I will find your embrace.

Maybe I went too far,
Maybe there is no way to start over, what we've left unspoken.
One day, you will realize,
That the hope, the hope never lies,
One day you'll hear the voice inside.
