

Riders Of The Damned

Black Label Society

There is no absolution
Never lose what was never there
No regard for the future
As for the past I never cared yeah For the damned shall roll
Out of control
Out of control
Walking tall we stand
Long may you run
Riders of the damned Salvation has been wrecked
Dissolution has been found
Punishment and judgment
Lay rotting beneath the ground For the damned shall roll
Out of control
Out of control
Walking tall we stand
Long may you run
Riders of the damned
