

Kite Fight

Sweet Thing

I say there's something right
Through the night
ooouuu
I set you in my sights
Just my type
ooouuu
I say we go outside
(Brace for)
Through the night
(Impact)
ooouuu
(Call it in)
I hope you realize
(Outcast)
The time is right
(Whiplash)
Oooouuu
She said to me
da-da-da da-da-da da-da-da da-da-da
da-da-da da-da-da da-da-da da-da-da
Oh, I've got my mind on other things
I don't recall a single word you said to me
I fell into oblivion
Dreaming 'bout a futuristic life
Together, just you and me
You say there's something right
(Brace for)
Through the night
(Impact)
ooouuu
(Call it in)
I set you in my sights
(Outcast)
Just my type
(Whiplash)
ooouuu
(Called innocent)
I say we go outside
(Needless)

Feel the night
(Contact)
ooouuu
(Just let me in)
hit you in a line
(Outcast)
The time is right
(Whiplash)
ooouuu
She said to me
da-da-da da-da-da da-da-da da-da-da
da-da-da da-da-da da-da-da da-da-da
Oh, I've got my mind on other things
I don't recall a single word you said to me
I fell into oblivion
Dreaming 'bout a futuristic life
Together, just you and me
Oh, I've got my mind on other things
I don't recall a single word you said to me
I fell into oblivion
Dreaming 'bout a futuristic life
Together, just you and me
da-da-da da-da-da da-da-da da-da-da
(oh no)
da-da-da da-da-da da-da-da da-da-da
(oh no)
da-da-da da-da-da da-da-da da-da-da
(oh no)
da-da-da da-da-da da-da-da da-da-da
Oh, I've got my mind on other things
I don't recall a single word you said to me
I fell into oblivion
Dreaming 'bout a futuristic life
Together, just you and me
Oh, I've got my mind on other things
I don't recall a single word you said to me
I fell into oblivion
Dreaming 'bout a futuristic life
Together, just you and me
Oh, I've got my mind on other things
I don't recall a single word you said to me
I fell into oblivion
Dreaming 'bout a futuristic life
Together, just you and me
