Time Of My Life

Toploader

Sitting in the summer sun
Binding my time
Waiting for the demons to go away
No one knows when they come
Or when they're gonna go away
As long as they do we're okay, yes, we're alright
'Cause I had the time of my life
Show me some love tonight
You know I'll treat you right
'Cause I had the time of my life
Woke up in the morning rain
God knows where I slept again
No recollection of the night
Oh God, what's this I see lying next to me
With a smile on your face
We're alright, yes, we're alright
'Cause I had the time of my life
Show me some love tonight
You know I'll treat you right
'Cause I had the time of my life
Ooh, yeah yeah, yeah yeah
Yeah yeah yeah
Yeah we're alright, yeah
Yes, we're alright
'Cause I had the time of my life
Show me some love tonight
You know I'll treat you right
'Cause I had the time of my life
'Cause I had the time of my life
Show me some love tonight
You know I'll treat you right
'Cause I had the time of my life
I had the time, I had the time
I had the time, I had the time
I had the time of my life
I had the time, I had the time
I had the time, I had the time
I had the time of my life
