

Your Love Could Start a War

The Unlikely Candidates

You know I gotta love you
our name is written in the streets
you are a force of nature
the fires running through your, feet
ohhh your love, your love could start a war
your love, is what i am fighting for
I would would die for this revelation
ohhh your love, your love could start a
your love could start a warthe dawn will break before you
under your thumb I'm on my knees
you play a game of pressure
you're getting stronger while i sleep
you'll burn up the sky you're a constellation,
swear i could die in this revelation
ohhh your love, your love could start a war
your love, is what i am fighting for
I would die for this revaltation
ohhh your love, your love could start a
your love could start a war
you'll burn or cry standing out to fear
just take my life, i know the end is here
you'll run and dancin, but i just want to fly
I hear you singing, tomorrow never dies
I would die for this revelation
ohhh your love, your love could start a war
your love could start a war
it's what I am fighting for
ohhh your love, your love could start a war
your love is what I am fighting for
I would die for this revelation
ohhh your love, is what I'm fighting for
ohhh your love, your love could start a war,
your love is what i am fighting for
i would die for this revelation
oh love your love, your could start a war
