3 Legs

Paul & Linda McCartney

Well when I walk, when I walk
On my horse upon the hill (when I walk the horse upon a hill)
Well when I walk, walk walk walk
On my horse upon the hill (when I walk the horse upon a hill)
And I lay me down
Will my lover love me stillA dog is here, (a dog is here), a dog is there (a dog is there)
My dog he got three legs
But he can't runWell when I thought, well I thought
When I thought you was my friend (when I thought I could call you my friend)
When I thought, when I thought
When I thought you was my friend (when I thought I could call you my friend)
But you let me down, put my heart around the bendA fly flies in (a fly flies in), a fly flies out (a fly flies out)
Most flies they got three legs, but mine got oneWell when I fly when I fly when I fly,when I fly above the cloud
(When I fly above the man in the crowd)
Well when I fly when I fly when I fly,when I fly above the crowd
(When I fly above the man in the crowd)You can knock me down with a feather, yes you could
But you know it's not allowed (but you know it's not allowed)A dog is here, (a dog is here), a dog is there (a dog is there)
My dog he got three leg
But he can't runMy dog he got three leg
Your dog he got noneMy dog he got three leg
Your dog he got noneMy dog he got three leg
Your dog he got none
