

# 3 Legs

## Paul & Linda McCartney

Well when I walk, when I walk  
On my horse upon the hill (when I walk the horse upon a hill)  
Well when I walk, walk walk walk  
On my horse upon the hill (when I walk the horse upon a hill)  
And I lay me down  
Will my lover love me still A dog is here, (a dog is here), a dog is there (a dog is there)  
My dog he got three legs  
But he can't run Well when I thought, well I thought  
When I thought you was my friend (when I thought I could call you my friend)  
When I thought, when I thought  
When I thought you was my friend (when I thought I could call you my friend)  
But you let me down, put my heart around the bend A fly flies in (a fly flies in), a fly flies out (a fly flies out)  
Most flies they got three legs, but mine got one Well when I fly when I fly when I fly, when I fly above the cloud  
(When I fly above the man in the crowd)  
Well when I fly when I fly when I fly, when I fly above the crowd  
(When I fly above the man in the crowd) You can knock me down with a feather, yes you could  
But you know it's not allowed (but you know it's not allowed) A dog is here, (a dog is here), a dog is there (a  
dog is there)  
My dog he got three leg  
But he can't run My dog he got three leg  
Your dog he got none My dog he got three leg  
Your dog he got none My dog he got three leg  
Your dog he got none
