Rhythm Killer

Sly & Robbie

There she blowsI say, "Jamaican, Jamaican"
Jamaican, respects you to everyone, respects you to man and men
Reason it over and things will be better, that all we really see
Jamaican, Jamaican, Jamaican, respects you to everyone, respects you to man and menThe rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
Jamaican, choking on the rhythm like a scuba diver, big it up, big it up, big it up like Jamaican
Because nothing in the world Jamaican, Jamaican, rhythm, Jamaican, loud and clear, Jamaican
Jerk on the floor, Jamaican, Jamaican, ye know, rhythm, Jamaican, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
They call him the rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
Jamaicaans, Jamaicaans, inspired by, Jamaicaans, Jamaicaans, Jamaicaans, stage show nice, but the dance
Jamaicaans, Jamaicaans, Jamaicaans, variety, Jamaicaans, Jamaicaans, so I run and tell your mother and I tell your father, Jamaican, Jamaican, Jamaican against
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, JamaicanJamaican, Jamaican, I say, Jamaican,? respect is do to everyone, respects you to man and men?
Let's reason it over and things will be better
Jamaican,? let's put away man, this story is bad?, Jamaican, Jamaican, set a bad example
'Cause what is due will come to you so don't give me, Jamaican
That's not asking too much I'm sure, it's very reasonable
Night time, Jamaican? everything I thought, Jamaican, two and two and the chosen few and everytime?, Jamaican
Segregation, Jamaican,? I do not? like to make it, slavery JamaicanMusic of the past, music of the future, even if our music come the present era
All time, Jamaican, that the vibes, Jamaican, Jamaican, I now pop the words of the late Caesar
"I came; I saw that's why we conquer"
Jamaican, Jamaican, like lollypop girl, Jamaican
I'm having mixed emotions about these feelings that I'm having
Feeling so unsure about the product that I'm selling
Trying to keep my shape while my body? wins and wanes?
By believing in myself? as the least that makes your help (Frogman)?
Birds don't do it, bees don't do it

We are the only ones that fall in love
Dogs don't do it, cats don't do it
We are the only ones that fall in love (Like this)? And by believing in it? all the kids are gonna learn
Like cash on the street makes a living hard to earn
With a smile on my face and a dollar in my hand
You're my only way out is if you let me be your band (Like his)
What we wanna do now, just want you do a bit boogie-woogie in your body
I want you to shake it up to the left and shake it up to the right
We're hit all the major cities and become a pop act
And no-one will even know, that some of us are black
We'll break all kinds of records;? make the man will remember me?
Oh? in a big tipping? world, with diamond rings on all our feet
Birds don't do it, bees don't do it
We are the only ones that fall in love
Dogs don't do it, cats don't do it
We are the only ones that fall in love
Forget the roots now forget the culture because them two is way beyond
What ye doin' here now, you, Jamaican, lyrical music called? sense and power?
That's how, Jamaican, dance flavour, Jamaican, African look, a rub-a-dub, Jamaican
China, Jamaican, otherwise known as "The midnight thriller", Jamaican articulate
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
The rhythm killer, the rhythm killer, the rhythm killer, Jamaican
