

All That She Wants (Spitzenklasse Remix)

Ace of Base

She leads a lonely life
She leads a lonely life When she woke up late in the morning
Light and the day had just begun
She opened up her eyes and thought
O' what a morning
It's not a day for work
It's a day for catching sun
Just laying on the beach and having fun
She's going to get you All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby
All that she wants is another baby
She's gone tomorrow boy
All that she wants is another baby All that she wants, all that she wants
So if you are in sight and the day is right
She's a hunter you're the fox
The gentle voice that talks to you
Won't talk forever
It's a night for passion
But the morning means goodbye
Beware of that is flashing in her eyes
She's going to get you All that she wants
