ItÂ´s Time

Saga

Time has come now, can do anything
Gonna show you how I really am
Time has come now, can say anything
gonna show you what IÃ‚Â´m gonna plan.

In the end when itÃ‚Â´s all said and done
IÃ‚Â´ll be around, probably the only one
In the end when itÃ‚Â´s said and done
Gonna have my Time.

Time has time now - Can try anything
Gonna show you how I really am
Time has come now - Can be anything
Gonna show you what IÃ‚Â´m gonna plan.

ItÃ‚Â´s time
My time
Our time
For everyone to know.
