

# Multiplication

## Bobby Darin

When you see a gentleman bee  
Round a lady bee buzzin'  
Just count to ten then count again  
There's sure to be an even dozen Multiplication  
That's the name of the game  
And each generation  
They play the same Now, there was two butterflies  
Castin' their eyes  
Both in the same direction  
You'd never guess that one little yes  
Could start a butterfly collection Multiplication  
That's the name of the game  
And each generation  
They play the same  
Let me tell ya now I say one and one is five  
You can call me a silly goat  
But, ya take two minks add two winks  
Ah, ya got one mink coat When a girl gets coy in front of a boy  
After three or four dances  
You can just bet she'll play hard to get  
To multiply her chances Multiplication  
That's the name of the game  
And each generation  
You know they play the same  
Hear me talkin' to ya Mother Nature's a clever girl  
She relies on habit  
Ya take two hares with no cares  
Pretty soon you got a room full of rabbits Parakeets in between tweets  
Sometimes get too quiet  
Uh oh but, have no fear  
'Cause soon you'll hear  
A parakeet's riot just try it Multiplication  
That's the name of the game  
And every generation  
You know they play the same Yes, it's multiplication  
That's the name of the game  
And each generation  
They play the same
