

My Hero

Foo Fighters

Too alarmin' now to talk about
Take your pictures down and shake it out
Truth or consequence, say it aloud
Use that evidence, race it around There goes my hero
Watch him as he goes
There goes my hero
He's ordinary Don't the best of them bleed it out
While the rest of them peter out?
Truth or consequence, say it aloud
Use that evidence, race it around There goes my hero
Watch him as he goes
There goes my hero
He's ordinary Kudos, my hero, leavin' all the best
You know my hero, the one that's on
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
There goes my hero
Watch him as he goes
There goes my hero
He's ordinary
