

Ain't No Mountain High Enough (Single Version)

Diana Ross

If you need me, call me. No matter where you are, no matter how far. Just call my name. I'll be there in a hurry. On that you can depend and never worry.

(You see, my love is alive It's like a seed that only needs the thought of you to grow. So if you feel the need for company, please, my darling, let it be me. I may not be able to express the depth of the love I feel for you, but a writer put it very nicely when he was away from the one he loved. He sat down and wrote these words:)No wind, (No wind) no rain, (no rain)

Nor winter's cold

Can stop me, babe (oh, babe) baby (baby)

If you're my goalNo wind, no rain,

Can stop me, babe

If you wanna goI know, I know you must follow the sun

Wherever it leads

But remember

If you should fall short of your desires

Remember life holds for you one guarantee

You'll always have meAnd if you should miss my love

One of these old days

If you should ever miss the arms

That used to hold you so close, or the lips

That used to touch you so tenderly

Just remember what I told you

The day I set you freeAin't no mountain high enough

Ain't no valley low enough (Say it again)

Ain't no river wild enough

To keep me from youAin't no mountain high enough

Ain't no valley low enough (Say it again)

Ain't no river wild enough

To keep me from youAin't no mountain high enough

Nothing can keep me

To keep me from youAin't no mountain high enough

Ain't no valley low enough (One more time)

Ain't no river wild enough (Say it again)

To keep me from youAin't no mountain high enough

Nothing can keep me

To keep me from you
