

Want You Back

Tim McGraw

I've been walkin' 'round, all over this town
Tried to shake your shadow but you follow me 'round
 Baby it don't matter what I do
 It all keeps comin' back to you
I've been stayin' up, I've been losin' sleep
 All them country songs sayin' pour another drink
Baby that won't drown out what we had, and girlI want you back, back in my arms
 Back of the yellow cab, chasin' kisses in the dark
 Back, back to your place
 With your red wine lips sayin' come here baby
I don't know what I was thinkin' when I let you go
 And I ain't even gonna act
Like I don't need you, miss you, wish that you would
 Come on home
 Baby I want you back
 Want you back
 Want you back
Want you backThe color of the night, baby it ain't like
 Like it used to be when we were burnin' it bright
 But then the fire turned ice cold
 And now it's all smoke and shadows
 Wanna grab the phone, wanna call you up
 Tell you that I'll take it just the way that it was
 Every little fight, the makin' up all night
All the good, all the badI want you back, back in my arms
 Back of the yellow cab, chasin' kisses in the dark
 Back, back to your place
 With your red wine lips sayin' come here baby
I don't know what I was thinkin' when I let you go
 And I ain't even gonna act
Like I don't need you, miss you, wish that you come on home
 Baby I want you backI want you back
 Tell me what I've gotta do
 Ain't no getting over you
 Girl there ain't no movin' on
 All I want is what we had
Baby I just want you backI don't know what I was thinkin' when I let you go
 And I ain't even gonna act
Like I don't need you, miss you, wish that you come on home

Baby I want you back
I want you back
I want you back
I want you back
Want you back
I want you back
Want you back
Want you back
Want you back
I want you back
