Beautiful Awakening

Stacie Orrico

A beautiful awakening has happened in my soul
A beautiful awakening that only I could know
Try to imagine a sound that you've never heard
A color that you've never seen
Try to describe a taste you've not tasted
And maybe you'll know what I mean
A beautiful awakening has happened in my soul
A beautiful awakening that only I could know
Can you imagine if you spent your whole life
With a heart beating out of time
Then one day your wild heart found it's rhythm
Don't you think you'd lose your mind
A beautiful awakening has happened in my soul
A beautiful awakening that only I could know
What if you woke up one day and your eyes could see
Ugly things as beautiful? yeah
Would you believe it if you fell in love with a
Stranger would you be doubtful?
A beautiful awakening has happened in my soul
A beautiful awakening that only I could know
When I looked at you my heart already knew
You had come to breathe life into my dormant soul
I was terrified, I'm not afraid anymore 'cause I know that you
Embrace my heart and I feel alive
Yeah yeah, oh
A beautiful awakening has happened in my soul
A beautiful awakening that only I could know
A beautiful awakening has happened in my soul
A beautiful awakening that only I could know
A beautiful awakening
