

Next To You

Sting

I can't stand it for another day
When you live so many miles away
Nothing here is gonna make me stay
You took me over, let me find a way I sold my house, I sold my motor, too
All I want is to be next to you
I'd rob a bank maybe steal a plane
You took me over, think I'm goin' insane What can I do?
All I want is to be next to you
What can I do?
All I want is to be next to you I've had a thousand girls or maybe more
But I've never felt like this before
But I just don't know what's come over me
You took me over, take a look at me What can I do?
All I want is to be next to you
What can I do?
All I want is to be next to you All I want is to be next to you
All I want is to be next to you
All I want is to be next to you So many times I used to give a sign
Got this feeling, gonna lose my mind
When all it is is just a love affair
You took me over baby, take me there What can I do?
All I want is to be next to you
What can I do?
All I want is to be next to you
