

# One Last Time

## Agnes

Beat. Drum. Iâ€™m gonna lose him  
Just like water through my hands  
Light hits your face and you look at me like Iâ€™m a stranger  
So far away, but still so near

And you can blame it on my crazy heart.  
I got lost, you got torn apart  
I wish you would let me hold you  
Let me hold you  
One last time

If this is over, if this is the end  
If you donâ€™t wanna see my face again  
Please just let me hold you  
Let me hold you, one last time

Last night when you were sleeping  
I danced away, I flew so high  
I let you down and then I woke up next to a stranger  
I canâ€™t believe, what have i done

And you can blame it on my crazy heart.  
I got lost, you got torn apart  
I wish you would let me hold you  
Let me hold you  
One last time

If this is over, if this is the end  
If you donâ€™t wanna see my face again  
Please just let me hold you  
Let me hold you, one last time

I donâ€™t know what to say anymore  
I donâ€™t want it to end up this way  
If you would only give me the chance  
I know I could do so much better

And you can blame it on my crazy heart.  
I got lost, you got torn apart  
I wish you would let me hold you

Let me hold you  
One last time

If this is over, if this is the end  
If you donâ€™t wanna see my face again  
Please just let me hold you  
Let me hold you, one last time

One last time  
One last time  
One last time  
One last time
