

Searchin'

Slaughter

NY city bout a quater ta 5
She gets up and she leaves the room
She hits the subway and she risks her life
And dresses up in cheap perfume
Ah whatever is good for ya baby
Cuz family didn't treat you right
Ah whatever is good for ya baby
That's all I want, as you're walkin oh so right
So many other sweet delights
Cuz baby you'll be Searchin,
Searchin, Searchin through the night
Cuz baby you'll be Searchin,
Searchin, Searchin with all your
might for Mr. Right
Hey now lady when ya gonna learn
You said ya need to go and find yourself
Played with fire, but now ya got burned
Your broken hearts still on the shelf
Ah whatever is good for ya baby
Cuz family don't treat you right
Ah whatever is good for ya baby
That's all I want, as you're walkin oh so right
So many others sweet delights
Cuz baby you'll be Searchin,
Searchin, Searchin through the night
Cuz baby you'll be Searchin,
Searchin, Searchin with all your
might for Mr. Right
Baby you'll be Searchin, yeah
Baby you'll be Searchin, Searchin
Cuz baby you'll be Searchin, through the night
Yeah, yeah, yeah
Cuz baby you'll be Searchin,
Searchin, Searchin through the night
Cuz baby you'll be Searchin,
Searchin, Searchin with all your
might for Mr. Right
