It Don't Matter to Me (2016 Remastered)

[Phil Collins](#)

Well, it don't matter to me what you say, what you say

And it don't matter to me what you're doing alright, alrightBecause I've heard it all so many times before

Just what you're saying

And I don't really want to hear it all no more, no more

Don't want to hear it no more'Cause there's no way that you can run

'Cause I'm gonna find you

And there's nobody that you can turn to

'Cause I'll be behind you just to remind youThat it don't matter to me, yeah, what you say, what you say, say,

say, say

Well it didn't matter to me what you're doing alright, alright, alrightIt seems to me it's been too easy for you for

too long

So you'd better climb down before you fall and hurt your pride, your pride

You're gonna hurt your pride'Cause there' nowhere that you can run to

'Cause I'm gonna find you

And there's no place that you can stay

'Cause I'll be behind you just to remind youWell, it don't matter to me, yeah, what you say, say, say, say, tell

what you say
