

# Minor Heaven

## Mercuzio Pianist

Take my longings and believe them  
Light a candle if you know  
I breath love, don't wanna be there  
These are things I got to know  
The magic seems so far  
Don't know who they areLet me go Minor Heaven  
Cause my blood to run  
Leave this place, unforgiven  
Heal me with your sun  
How can I come undone?  
Let me know Minor HeavenLight a way for me to walk on  
From the ashes to the sky  
Burn the thorns so I can hold on  
Trust in me I know I'm right  
You know it's gone too far  
Leave them where they areLet me go Minor Heaven  
Cause my blood to run  
Leave this place, unforgiven  
Heal me with your sun  
How can I come undone?  
Let me know Minor HeavenEven if nothing I'll become  
Something I've been for all too long  
Let me go Minor HeavenLet me go Minor Heaven  
Cause my blood to run  
Leave this place, unforgiven  
Heal me with your sun  
How can I come undone?  
Let me know Minor Heaven
