

# Trouble

[Ray LaMontagne](#)

Trouble  
Trouble, trouble, trouble, trouble  
Trouble been doggin' my soul  
Since the day I was bornWorry  
Worry, worry, worry, worry  
Worry just will not seem to leave  
My mind aloneWell, I've been saved by a woman  
I've been saved by a woman  
I've been saved by a womanShe won't let me go  
She won't let me go now  
She won't let me go  
She won't let me go nowTrouble  
Oh, trouble, trouble, trouble, trouble  
Feels like every time I get back on my feet  
She come around and knock me down againWorry  
Oh, worry, worry, worry, worry  
Sometimes I swear it feels like  
This worry is my only friendWell, I've been saved by a woman  
I've been saved by a woman  
I've been saved by a womanShe won't let me go  
She won't let me go now  
She won't let me go  
She won't let me go nowOh, ah, oh  
She good to me now  
She gave me love and affection  
She good to me now  
She gave me love and affectionI said I love her  
Yes, I love her  
I said I love her  
I said I loveShe good to me now  
She good to me  
She good to me
