

# Ride Wit Me

Nelly

Where they at? If you want to go and take a ride with me  
We 3-wheeling in the fo' with the gold D's  
Oh why do I live this way? (Hey, must be the money!) If you want to go and get high with me  
Smoke a L in the back of the Benz-E  
Oh why must I feel this way? (Hey, must be the money!) In the club on the late night, feeling right  
Looking, trying to spot something real nice  
Looking for a little shorty I noticed so that I can take home  
(I can take home)  
She can be 18 (18) with an attitude  
Or 19, kinda snotty, acting real rude  
But as long as you a thick-thick-thick girl you know that it's on  
(Know that it's on)  
I peep something coming towards me on the dance floor  
Sexy and real slow  
Saying she was peeping and I dig the last video  
"So when Nelly, can we go?" How could I tell her no?  
Her measurements were 36-25-34  
I like the way you brush your hair  
And I like those stylish clothes you wear  
I like the way the light hit the ice and glare  
And I can see you, boo, from way over there If you want to go and take a ride with me  
We 3-wheeling in the fo' with the gold D's  
Oh why do I live this way? (Hey, must be the money!) If you want to go and get high with me  
Smoke a L in the back of the Benz-E  
Oh why must I feel this way? (Hey, must be the money!) Face and body Frontenac, don't know how to act  
Without no vouchers on her boots she's bringing nothing back  
You should feel the impact, shop on plastic  
When the sky's the limit and them haters can't get past that  
Watch me as I gas that 4 dot 6 Range  
Watch the candy paint change, every time I switch lanes  
It feel strange now  
Making a living off my brain, instead of 'caine now  
I got the title from my momma put the whip in my own name now  
Damn shit done changed now  
Running credit checks with no shame now  
I feel the fame now (come on), I can't complain now (no more)  
Shit I'm the mayne now, in and out my own town  
I'm getting pages out of New Jersey from Courtney B  
Telling me about a party up in NYC

And can I make it? Damn right, I be on the next flight  
Paying cash; first class - sitting next to Vanna WhiteIf you want to go and take a ride with me  
We 3-wheeling in the fo' with the gold D's

Oh why must I feel this way? (Hey, must be the money!)Check, check, yo, I know something you don't know  
And I've got something to tell ya  
You won't believe how many people straight doubted the flow  
Most said that I was a failure  
But now the same motherfuckers asking me for dough  
And I'm yelling: "I can't help ya"  
"But Nelly can we get tickets to the next show?"  
Hell no (what's witchyou?!) you for real?!Hey yo, now that I'm a fly guy, and I fly high  
Niggas want to know why: why I fly by  
But yo, it's all good, Range Rover all wood  
Do me like you should - fuck me good, suck me good  
We be them stud niggas, 'wishing you was' niggas  
Popping like we drug dealers, sipping Crissy, bubb' macking  
Honey in the club, me in the Benz  
Icy grip, telling me to leave with you and your friends  
So if shorty want to knock, we knocking to this  
And if shorty want to rock, we rocking to this  
And if shorty want to pop, we popping the Crist'  
Shorty wanna see the ice, then I ice the wrist  
City talk, Nelly listen; Nelly talk, city listen  
When I fuck fly bitches; when I walk pay attention  
See the ice and the glist'; niggas staring or they diss  
Honies looking all "they wish" - come on boo, gimme kissIf you want to go and take a ride with me
