

Dance Forever

Derik Fein

Tonight forget about your problems. Tomorrows universe will solve them. Drink up if you are insecure. Stand up and lets act immature. This is our time we're in the spotlight its project X in this club tonight.

Just live up, no need to act right. We gon tear it up until we see the sun. Nothing's stopping us right now
Just lose control. Let the night unfold. I can show you how. Dance Dance Dance Forever (x2) Take a shot to this
economy. Party and spend all of your money. Drink up if you are insecure. Stand up and lets act immature.

This is our time, we're in the spotlight, its project X in this club tonight.

Just live up, no need to act right.

We gon tear it up until we see the sun. Nothing's stopping us right now
Just lose control. Let the night unfold. I can show you how. Dance Dance Dance Forever (x2)
