

Foxhole

Flattbush

My mom is here!
She brought my gun!
My dad arrive with a shovel in his hand!
He said son the foxhole is done!Done!Tapos na! (It's finished)The Community!
Has made their own!
They have their homemade guns, spheres, and confiscated
Now the foxhole stretches from miles deeper miles away!The enemy advances we retreat!
The enemy camp we harrass!
The enemy tires we attack!
The enemy retreats we pursue!Done!
Tapos na!
