Breath and a Scream

Pearl Jam

Oh, tonight began with anything
Shadows, a light, a warm breath and a scream, oh yeah
Oh, tamper if you like between the doors, oh yeah
Oh, can't expect to go out, to go out
With anything, anything more
Oh, reach the door, a breath and a scar
Oh reach the door and a nada lada yeah
Life ain't what it's worth, a breath and a scar
Oh, reach the door
All these reaching hands out grabbin' things, grabbin' me
Day in, day out, accumulating, oh yeah
I suggest you step out on your porch, oh yeah, yeah
Run away my son to see it all oh, see the world
Oh reach the door and a nada lada yeah
Life ain't what it's worth, a breath and a scar
Oh, reach the door
Come here it comes there it goes when it comes
Where it goes where it comes, can't see through the faith
Oh, come here it goes, there it goes, grasp what you can
Don't you know there's something inside your hand, yeah
Oh, if I knew where it was I would take you there
There's much more than this, oh much more than this
Oh, see the world much more than, oh
Much more than, why?
