

Shoo Doo Fu Fu Ooh!

Lenny Williams

I just got in town,
And I've been looking around,
Tryina get something going.
I licked my finger, Put it up in the wind,
To see which way my faith was blowing.I'm walking through Hollywood,
Tryina find something go-o-od,
Bombing, down on sunset
Never guess who, I just met
Took my number, said he'd - give me a ring
To check up on what I sing, heyShoo doo fu fu fu ooh
Shoo doo fu fu fu ooh ooh ooh
Shoo doo fu fu fu ooh
Shoo doo fu fu fu fu I'm feeling good and my hopes up, up high
Woah I'm so happy I - think I could cry
I'm blowing some (?) Practice my favorite skill (?)
When I get to his office I'd be ready to wheelIf everything (?) Here I come
(?) I'll be number one
Radio stations playing my tune
This (?) is singing and (?)Shoo doo fu fu fu ooh
