Lying Here

Majorleap

Lying here

IÂ´m just lying here.. on our coach..
ThereÂ´s just nothing I can do.. you must make the move
Will I make it through iÂ´m so weary..
Will I get to hear, what I want

And IÂ´ll be hereâ€¦ till you give me what I want..
IÂ´ll be here.. till you pull me up..

IÂ´m just lying here.. on our bed..
I just canÂ´t get up.. when you are not around here
Will I make it through iÂ´m so weary..
Will I get to hear, what I want

And IÂ´ll be hereâ€¦ till you give me what I want..
IÂ´ll be here.. till you pull me up..
