

# Valentine

[Kina Grannis](#)

Love, it's a special day  
We should celebrate and appreciate  
That you and me found something pretty neat  
And I know some say this day is arbitrary  
But it's a good excuse to put our love to use  
Baby, I know what to do  
Baby, I  
I will love you  
I'll love you, I'll love you  
Love, I don't need those things  
I don't need no ring  
I don't need anything  
But you with me  
'Cause in your company  
I feel happy, oh so happy and complete  
And it's a good excuse to put our love to use  
Baby, I know what to do  
  
Baby, I  
I will love you  
I'll love you, I'll love you  
Yeah it's a good excuse to put our love to use  
Baby, I know what to do  
Baby, I  
I will love you  
I'll love you, I'll love you  
So won't you be my honey bee?  
Giving me kisses all the time  
Be mine, be my Valentine  
So won't you be my honey bee?  
Giving sweet kisses all the time  
Be mine, be my Valentine  
Oh Oh Whoa  
Be my Valentine
