I Don't Wanna Go Back

The Bottle Rockets

I just want to reveal one thing I know that's real
Don't you know what lives inside me
Don't you know it just might save meI don't wanna go back where I've been
I don't wanna crawl back in that skin
[Incomprehensible]I could not conceal
The light inside the veil
Don't you know it lives inside me
Don't you know it just might save meI don't wanna go back where I've been
I don't wanna crawl back in that skin
[Incomprehensible]And can you look at me?
I'm just a man that I'm tryin' to be
Don't you know what lives inside you
Don't you know it just might save youI don't wanna go back where I've been
I don't wanna crawl back in that skin
I don't wanna go back where I've been
I don't wanna smile at my so called friendsI don't wanna go back where I've been
I just want a place where I fit in
[Incomprehensible]I don't wanna go back, I don't wanna go back
I don't wanna go back, I don't wanna go back
