

Big Hoops (Bigger The Better) - Radio Edit

Nelly Furtado

You're a hundred percent right, Chris!

(Time to release the fresh)

Time to release the fresh!

The bigger the better

The bigger the better

The bigger the better

The better the bigger

The bigger the better

The bigger the better

The bigger the better

The bigger the better

The bigger the better

The bigger the better

The bigger the better

The better the bigger

The bigger the better

The bigger the better

The bigger the better

The bigger the better

Tonight, it's the jam, I'll be there 'til dawn

I'm going down, I got my big hoops on

Pant leg so wide, I got my backpack on

I'm going to hear my favorite song

Hey, hey, hey, what's the scenario?

That boy keeps passing me by

I said no diggity, no doubt

I thought I told you I was fly

Yeah, he and all of his friends, they

They got that hair like high five

I don't want to talk about sex

Want to express myself tonight

I can go fast

I can go slow

I can go places nobody else goes

I can move fast

I can move slow

I can go places nobody else goes

Everybody, say hey

They going at it all night and day

Everybody, say hey
They going at it all night and day
I bet you never seen something like that (Like that)
Like that (Like that)
I bet you never heard something like that (Like that)
Like that (Like that)
I bet you never seen something like that (That, that, that)
That boy going to feel my poison
I know he can't stand the rain
I want to be down with you, baby
Back and forth, back and forth
Back, back, back and forth
You got my rump-rump shaking
I'm another bad creation
All real and I never have to fake it-fake it
You know I got to move quick
And I got to move slow
Guess, there ain't no ending no more
I can go fast
I can go slow
I can go places nobody else goes
I can move fast
I can move slow
I can go places nobody else goes
Everybody, say hey
They going at it all night and day
Everybody, say hey
They going at it all night and day
I bet you never seen something like that (Like that)
Like that (Like that)
I bet you never heard something like that (Like that)
Like that (Like that)
II bet you never seen something like that (Like that)
Like that (Like that)
I bet you never heard something like that (Like that)
Like that (Like that)
I bet you never heard something like that
The bigger the better
The bigger the better
The bigger the better
The better the bigger
The bigger the better
The bigger the better
The bigger the better
The bigger the better
The bigger the better

The bigger the better
The bigger the better
The bigger the better
The better the bigger
The bigger the better
The bigger the better
The bigger the better
The bigger the better

You know, I thought this song was over

Nope

It ain't over, yet

I can go fast

I can go fast

(I can go fast)

The bigger the better

The bigger the better

The bigger the better

The better the bigger

(I can go fast)

The bigger the better

The bigger the better

The bigger the better

The bigger the better

(I can go slow)

The bigger the better

The bigger the better

The bigger the better

The bigger the better
