

Pinetree Boogie

The Legendary Shack Shakers

Got an eyeful of moonlight
Shine down through the trees
Fell down by my bedside
All moony for sleep
But I woke right up, yall
Just to cut my hair
Don't want no whippoorwills
To make a nest in there.
So I burned 'em up, boys,
Like the colored man said
Got a garnet gem, ya'll,
Bound around my head.
Now I'm nestin' high
Them needles underneath
The Lord likes the pines y'all
Best of all his trees.

Pinetree Boogie, Pinetree Boogie, Pinetree Boogie
Do it all night lo-o-o-o-o-o-o-ooh, all night long
Do it all night long, y'all
Do it all night long
Do it all night long
