

# Down To The Wire

Neil Young

Every time you touch her  
Sets your hands on fire  
And every thing you've got  
Is all that she requires And you hang on, hang on, hang on  
To the words of a liar  
You can feel it's getting down  
To the wire All the hurt you thought was gone  
Has now returned  
And every thing she's laughing at  
Is all you learned And you let go, let go, let go all  
'Cause you know you're getting tired  
Can you feel it getting down  
To the wire? Take the time to close your eyes  
And look around  
'Cause anyone who helped you out  
Can let you down And look out, look out, look out  
The voice is now the choir  
Can you feel it getting down  
To the wire?
