

# Access Babylon (With Mike Dean)

## Probot

We're going out on a limb?  
Our people are about to disown us now  
Incrementally change mentally  
Speak of values miss the irony  
What you once shunned  
Is now what you seek  
Three hundred sixty  
And never miss a beat  
Your people call my people  
What's this? I'm skeptical  
Success comes knockin'  
And we're dabblin'  
See the circles that we travel in  
Access Babylon, Access Babylon  
All access, yeah, but not quite  
Your cast goes left but not allowed right  
Force field limbo caught in mid strata  
Funds evaporate so-called friends scatter
