

Professional Crastination

NOFX

Can't you see how easy it becomes?
Procrastinate, we're professionals
Get things done, you can't, too busy having fun
We're professionals Professional crastination
It's a way of life, if you've got lots of time Put it off 'cause tomorrow
Sounds much better than today
Always late, not sometimes, occasionally
Consistently, we're professionals Professional crastination
We're living in a procrastination Why can't we ever be on time?
Why can't we ever be on time?
Why can't we ever be on time?
Why can't we ever be on time? Why can't we ever be on
Why can't we ever be on time?
Why can't we ever be on Why can't we ever be on
Why can't we ever be on
Why can't we ever be on Why can't we ever be on
It's a way of life, if you've got lots of time
Professional crastination
We're living in a procrastination Professional cra, crastination
