

Christmas Day

Mandisa

Snow covered rooftops
Lights on the trees
The sound of singing
I hear down every street

Families have gathered
From miles away
Oh, Merry Christmas
It's Christmas day

You see that old tree
Down Cotton Lane
Those lights keep shining
It's always the same

We hear the church bells
Ring out to say
Oh, Merry Christmas
It's Christmas day
Oh, Merry Christmas
It's Christmas day

Swing the lights and hang the stockings
Decorate with green and red
Made the cookies for old Santa
Made a runway for his sled

Singing carols on a sleigh ride
Gather 'round the manger scene
Open presents, read the letter
And together we will sing

Oh, Merry Christmas
Joy to the world
For every nation
For every boy and girl

Let's light a candle
For peace we pray
Oh, Merry Christmas

It's Christmas day
It's Christmas day
It's Christmas day

Let's light a candle
For peace we pray
Oh, Merry Christmas
It's Christmas day
Oh, Merry Christmas
It's Christmas day
