

Travellin' Band

Elton John

737 coming out of the sky
Won't you take me down
To Memphis on a midnight ride? I want to move, yeah
Playing in a travellin' band, yeah
Well, I'm flying across the land
Trying to get a hand
Playing in a travellin' band Take me to the hotel
Baggage gone, oh well
Come on, come on
Won't you get me to the room? I want to move, yeah
Playing in a travellin' band, yeah
Well, I'm flying across the land
Trying to get a hand
Playing in a travellin' band Listen to the radio
Talking about the last show
Someone got excited
Had to call the state militia I want to move, yeah
Playing in a travellin' band, yeah
Well, I'm flying across the land
Trying to get a hand
Playing in a travellin' band Here we come again on a Saturday night
With your fussing and your fighting
Won't you get me to the right I want to move, yeah
Playing in a travellin' band, yeah
Well, I'm flying across the land
Trying to get a hand
Playing in a travellin' band Well, I'm playing in a travellin' band
Playing in a travellin' band
Playing in a travellin' band Well, I'm playing in a travellin' band
Well, I'm flying across the land
Trying to get a hand
Playing in a travellin' band
