

# The Bright Side Of Suffering

## Scary Kids Scaring Kids

I swear that if I could  
I'd take it all, take it all away  
All the sorrow and the pain  
I'm not responsible  
You always say but you need your space  
And this always ends the same  
Hey, is your heart still beating?  
I can't stop the bleeding  
I've lost you completely  
Hey, gather all the heartache  
I'll hold it in my hand  
Just to lose it all again  
If there's a bright side to this suffering  
Can you help me see?  
It's getting harder to believe  
You always said that this would not last long  
But it's gone on and on and on  
And I just can't make it stop  
Hey, is your heart still beating?  
I can't stop the bleeding  
I've lost you completely  
Hey, gather all the heartache  
I'll hold it in my hand  
Just to lose it all again  
They're right this time  
I won't pretend to smile  
Because inside I'm black and I am hollow  
This time you took this way too far  
This time you took this way too far  
This time you took this way too far  
This time you took this way too far  
This time you took this way too far  
I'm sick and tired  
Inside, inside I'm black and hollow  
[Incomprehensible]Inside I'm black and hollow  
[Incomprehensible]I'm trying to find  
What's missing from my life  
And now the tables have turned  
And this is only temporary

I'm trying to find  
What's missing from my life  
And now the tables have turned  
This pain is only temporary
