

# Stay

## Soul Decision

Stay, forever, forever, baby  
I'm not the kind of guy who believes in wishful thinking  
I don't like putting that much on the line  
Ever since you came and took my heart away  
I knew that everything would work out fine, oh yeah  
I'm not the kind of guy who thinks that I should own you  
I don't think that's how love was meant to be  
Now that I've got you here, I don't ever want you to leave me, baby  
So I'm asking you to just promise me you'll  
Stay with me forever, forever, baby  
How can I love you if it's just for one day, yeah  
Stay with me forever, forever, baby  
'Cuz I can love you if you just promise me you'll  
I'm not the kind of guy who moves into things too quickly  
I like to play the game nice and slow, woah woah  
Ever since you came and knocked me off the feet  
I knew that I could never let you go  
I'm not the kind of guy who believes in a lovesick notion  
But I think what is meant to be, should be  
If you should ever leave, I'll be lost without you  
So I'm asking you to make a little promise to me  
Stay with me forever, forever, baby  
How can I love you if it's just for one day, yeah  
Stay with me forever, forever, baby  
'Cuz I can love you if you just promise me you'll  
I'm not the kind of guy who thinks that I should own you  
I don't think that's how love was meant to be  
Now that I've got you here, I don't ever want you to leave me, baby  
So I'm asking you to just promise me you'll  
Stay with me forever, forever, baby  
How can I love you if it's just for one day, yeah  
Stay with me forever, forever, baby  
'Cuz I can love you if you just promise me you'll  
Stay with me forever, forever, baby  
How can I love you if it's just for one day, yeah  
Stay with me forever, forever, baby  
'Cuz I can love you if you just promise me you'll  
Stay with me forever, forever, baby  
How can I love you if it's just for one day, yeah

Stay with me forever, forever, baby  
'Cuz I can love you if you just promise me you'll
