

Unstoppable

The Score

There's a moment
In your bones when
When the fire takes over
Blood is running
Heart is pumping
As the battle gets closer
Ooh, they can say what they want now
Ooh, 'cause we'll be screaming out We can be heroes everywhere we go
We can have all that we ever want
Swinging like Ali, knocking out bodies
Standing on top like a champion
Keep your silver, give me that gold
You'll remember when I say
We can be heroes everywhere we go
Keeping us down is impossible
'Cause we're unstoppable Oh woah, we're unstoppable
Oh woah, we're unstoppable Every spotlight
Every sound bite
Everybody who gave up
Is just the fuel for
Wanting it more
Than anybody against us
Ooh, they can say what they want now
Ooh, 'cause we'll be screaming out We can be heroes everywhere we go
We can have all that we ever want
Swinging like Ali, knocking out bodies
Standing on top like a champion
Keep your silver, give me that gold
You'll remember when I say
We can be heroes everywhere we go
Keeping us down is impossible
'Cause we're unstoppable Oh woah, we're unstoppable
Oh woah, we're unstoppable Ooh, they can say what they want now
Ooh, 'cause we'll be screaming out We can be heroes everywhere we go
We can have all that we ever want
Swinging like Ali, knocking out bodies
Standing on top like a champion
Keep your silver, give me that gold
You'll remember when I say

We can be heroes everywhere we go
Keeping us down is impossible
We're unstoppable Oh woah, we're unstoppable
Oh woah, we're unstoppable
Oh woah, we're unstoppable
Oh woah, we're unstoppable
Oh woah, we're unstoppable
We're unstoppable
