

Lover, Lover, Lover

Roxette

Could you show me what love is about?
Could you show me what love is about?
No clue, no key, just a scent of a doubt
Could you tell me what it's all about?
And if you haven't got the time
And if you haven't got the time, it's all right
Oh I'll try to find some other
Working undercover
I'm a lover lover lover
Could you show me what life is about?
Could you show me what life is about?
What's true to believe, I have a scent of a doubt
Could you tell me what it's all about? Yeah, yeah, yeah.

And if you haven't got the time
If you don't want to spend the time, bare in mind
That I heard you had discovered
You read the record cover
I'm a lover lover lover
Hmm, could you show me what love, love is about?
Could you show me what love is about?
Hey baby.
And if you haven't got the time, it's all right.
I'm a lover lover lover
Oh yeah!
Oh yeah!
