

# Wild Things - Remix

Alessia Cara

Find table spaces, say your social graces  
Bow your head, they're pious here  
But you and I, we're pioneers, we make our own rules  
Our own room, no bias here  
Let 'em sell what they are sellin', there are no buyers here  
So gather all the rebels now, we'll rebel-rouse and sing aloud  
We don't care what they say no way, no way  
And we will leave the empty chairs to those who say we can't sit there  
We're fine all by ourselves So hey, we brought our drum and this is how we dance  
No mistakin', we make our breaks, if you don't like our 808s  
Then leave us alone, 'cause we don't need your policies  
We have no apologies for being Find me where the wild things are (oh my, we'll be alright, don't mind us)  
Find me where the wild things are (oh my, we'll be just fine, don't mind us, yeah)  
Find me where the wild things are I lose my balance on these eggshells  
You tell me to tread, I'd rather be a wild one instead  
Don't wanna hang around the in-crowd  
The cool kids aren't cool to me  
They're not cooler than we are So hey, we brought our drum and this is how we dance  
No mistakin', we make our breaks, if you don't like our 808s  
Then leave us alone, cause we don't need your policies  
We have no apologies for being Find me where the wild things are (oh my, we'll be alright, don't mind us)  
Find me where the wild things are (oh my, we'll be just fine, don't mind us, yeah) We will carve our place into  
time and space  
We will find our way, or we'll make a way (say hey, hey, hey)  
Find you're great, don't you hide your face  
Let it shine, shine, shine, shine, shine, shine So hey, we brought our drum and this is how we dance  
No mistakin', we make our breaks, if you don't like our 808s  
Then leave us alone, 'cause we don't need your policies  
We have no apologies for being Find me where the wild things are (oh my, we'll be alright, don't mind us)  
Find me where the wild things are (oh my, we'll be just fine, don't mind us, yeah)  
Find me where the wild things are
