

# Scars (Alex Brandt Remix)

James Bay

You're setting off  
It's time to go, the engine's running  
My mind is lost  
We always knew this day was coming  
And now it's more frightening than it's ever going to be We grow apart  
I watch you on the red horizon  
Your lion's heart  
Will protect you under stormy skies  
And I will always be listening for your laughter and your tears And as soon as I can hold you once again  
I won't let go of you, I swear We lived through scars this time  
But I've made up my mind  
We can't leave us behind anymore Your hands are cold  
Your lips are turning blue, you're shaking  
This fragile heart  
So heavy in my chest is breaking  
And in the dark, you try to make a payphone call to me But you're miles away  
You're breaking up, you're on your own  
It's hard to take  
I need an hour just to say hello  
But I can't make the truth of this work out for you or me And for all the pennies in your pocket,  
We barely get a second just to speak We lived through scars this time  
But I've made up my mind  
We can't leave us behind anymore  
We'll have to hurt for now  
But next time there's no doubt  
'Cause I can't go without you anymore Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh  
Yeah, yeah We lived through scars this time  
But I've made up my mind  
No, we can't leave us behind anymore  
We'll have to hurt for now  
But next time there's no doubt  
'Cause I can't go without you anymore

No, I can't go without you anymore
