

Heaven's Gate

Fall Out Boy

Show me the way to heaven's gate
Show me the way and i'll walk Tell me the way to redemption's door
Time ticking on the clock
Tell me the way to redemptions door
Answer me when i knock I'll follow them to jerusalem
It cant be that far
I'll follow them to jerusalem
Just tell me who they are
Show me the way to heaven's gate
Show me the way and i'll walk
Show me the way to heavens gate
Listen when i talk Birds have wings and winds to fly
They carry no demands
We have notes and songs that cry
praying with our hands All the mistakes a man can make
being on this road so long
All the mistakes a man can make
Must they all be wrong
Show the me the way to heavens gate
Now that i forgot
Show the me the way to heavens gate
Show me the face of god
