How Do You Know You?

Days Of The New

All I see is all to see
Stubborn mind in front of me
If you want I'll go away
I'll be here some other dayHow do you know you?
And I don't feel you now
How do you know you?
And I don't see you nowHow do you know you?
And I don't hear you now
How do you know you?
And I don't know you now
How do you know you?You, yes, I've kept the news from you
You, yes it's all in your mind
You, yes, I've kept the news from you
You, yes it's all in your mindAll I see is all to see
Nothing talking over meHow do you know you?
And I don't feel you now
How do you know you?
And I don't see you nowHow do you know you?
And I don't hear you now
How do you know you?
And I don't know you now
How do you know you?You, yes, I've kept the news from you
You, yes it's all in your mind
You, yes, I've kept the news from you
You, yes it's all in your mind
You, you, you, youYou, yes, I've kept the news from you
You, yes it's all in your mind
You, yes, I've kept the news from you
You, yes it's all in your mindHow do you know? How do you know?
How do you know? How do you know?
How do you know? How do you know?
How do you know? How do you know you?
