

Messiah Of The Double Cross

Krisiun

Enraged by a dawning Apocalypse
Transgressed into a life of shadows
I search for [Incomprehensible] fall Nations guided to a damned fate
Followers of the rotten cross
Twisted by preachers of inferior world
Faith for nothing, just life for shit Hell's Lord awaits me, sanctified by vengeance
In no idols shall I believe
My victory stands over the power
Like the immortal fire in hell, deadly as the serpent's strike I followed the black spell among the living and dead
Through out the centuries I never forsaked the faith
Granted with immortality
On the victorious fate I ride Messiah of the double cross, you will be drawn
In an empty dismal hall
Pagan souls will hunt you
Till eternity you shall beg for a lost salvation I followed the black spell among the living and dead
Through out the centuries I never forsaked the faith
Granted with immortality
On the victorious fate I ride
