You didn't have to be so mean to me
I guess now I see how it's gonna be
I'm joining GSF, I've made up my mind
Forget this they call love, it's a waste of time, waste of time
Girls ain't no good anymore, anyway
Not for one second have I understood
Why they do what they do, why they say what they say
Always happens to my friends, it always happens to me
It's taken me nineteen years to finally see
She said, "Can we just be friends, it's just not working out
Another broken heart that I can do without, do without
Girls ain't no good anymore, anyway
Not for one second have I understood
Why they do what they do, why they say what they say
