

I Am Waiting

[Lindsey Buckingham](#)

I am waiting, I am waiting, oh, yeah, oh, yeah
I am waiting, I am waiting, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere You can't hold out, you can't hold out, oh, yeah, oh, yeah
You can't hold out, you can't hold out, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere See it come along, don't know where it's from
Oh, yes, you will find out
Like a winter storm fear will pierce your bones
You'll find out Slow or fast, slow or fast, oh, yeah, oh, yeah
Slow or fast, slow or fast, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere See it come along, don't know where it's from
Oh, yes, you will find out
Like a winter storm fear will pierce your bones
You'll find out Oh, we're waiting, oh, we're waiting, oh, yeah, oh, yeah
Oh, we're waiting, oh, we're waiting, oh, yeah, oh, yeah
Waiting for someone to come out of somewhere
Waiting for someone to come out of somewhere Oh, we're waiting, oh, we're waiting, oh, we're waiting
Oh, we're waiting, oh, we're waiting, oh, we're waiting
Oh, we're waiting, oh, we're waiting, oh, we're waiting
Oh, we're waiting, oh, we're waiting
